

Become a member of the Melanoma World Society (MWS) today!

Members of the World Melanoma Society are professionals working in the fields of dermatology, oncology, surgery and pathology and consist of clinical researchers as well as basic researchers interested in the field of dermato-oncology. MWS members identify themselves with the missions of the MWS.

MWS Members enjoy unique benefits as part of their membership package:

- MWS Newsletter to receive the latest MWS news
- online access to the MWS Download Portal of the MWS website, where permanently selected lectures of MWS events, photos of events, the list of members and scientific publications are stored
- possibility of networking with other professionals in the field
- information about the latest updates in dermato-oncology

Membership Application Form
